

"HELLO, LYNDON?"... The new Pacific Telephone Direct Distance Dialing display which was unveiled at the Los Angeles County Fair last weekend is brought to life by petite Carol Fryzelka, a hostess at the Disneyland Bell Exhibit. Pacific Telephone is giving away free nationwide telephone calls at the exhibit located in Industrial Building No. 7. For the kiddies, Chaudet the Magician is on hand with his "Magic of Communications" show. The fair runs through Sunday.

## Mexican-Americans Set Club Holds Testimonial Dinner Graduation For Dogs

Mrs. Helen Polin Monahan, vice president of the South Bay Mexican-American Educators Association, joined with Tony Estrada of Torrance and other prominent Mexican-American community leaders in announcing a Testimonial Dinner Dance Friday honoring Glenn M. Anderson, candidate for Congress in the 17th Congressional District.

Sponsored by the Harbor-South Bay Mexican American Citizens Committee, this affair will be held at the Retail Clerks Hall, 25949 Belleport Ave., Harbor City. A cocktail hour is scheduled from 7 to 8 p.m. with dinner at 8. Music for dancing will

be provided by The Preludes and The Second Generation. Committee members include: Alfonso Valdez, Victor Valdez, Pedro Alvarado, Victor Barrera, Otilio Barron, Joe Duenas, Tony R. Estrada, Mr. and Mrs. Peter Fernandez, Ray Flores, Mr. and Mrs. Henry Flores, Alexander Martinez, Charles Martinez, Mrs. Mary Merino, Mrs. Helen Polin Monahan, Jess Nevarez, Joe N. Ochoa, Joe Perez, Mrs. Gonzalo Polin, Mr. and Mrs. Arnold G. Ramirez, Luis Sapien, Mrs. Estelle Zamora, Anthony Barajas, Nick Betancourt, Pesus S. Carrasco.

Tickets are available at \$5 per person.

Dennis Elrath of Lomita and his Akita dog were awarded a ribbon and a trophy at the recent Harbor-Lite Dog Obedience Club graduation at Peck Park.

Graduation certificates were awarded to Robert Thompson and his Samoyed, Henry Bartelt and his German Shepherd, and Bill Milan and his German Shepherd, all of Torrance.

The club will begin two new novice classes on Wednesday at 7 p.m. and Saturday at 2 p.m. at Peck Park, 560 N. Western, San Pedro. Instructing the class is Marty Lehr.

## Bids Due For Light At College

Bids will be opened by the County Board of Supervisors Oct. 15 for the installation of traffic signals and highway safety lighting on Redondo Beach Boulevard at El Camino College.

The intersection is partly in the city of Torrance and the remainder is in unincorporated county area. Under terms of an agreement, the city and county will share the cost of the installation in accordance with the number of highway intersection legs under each jurisdiction.

Redondo Beach Boulevard is a Master Plan Highway carrying a daily average of 21,200 vehicles

## Contract Awarded for Prospect Avenue Work

County supervisors have awarded a \$409,493 contract for the widening and improvement of Prospect Avenue and Palos Verdes Boulevard in the Torrance-Redondo Beach area, according to Supervisor Burton W. Chace.

The Board of Supervisors yesterday awarded the contract to the Rush Engineering Construction Co., Inc., of South El Monte.

The firm was the lowest of seven bidders, with offers ranging to a high of \$471,525. The over-all cost of the project, including construction, engineering, and right-of-way acquisition, is estimated at more than \$900,000.

PROSPECT WILL BE improved from Knob Hill Avenue to Irena Avenue, while

Palos Verdes will undergo reconstruction between Shadycroft Avenue and Irena Avenue, Chace said.

"Work on this vital road project will be started immediately," Chace said. "Completion is expected by next May."

Work includes widening Prospect and Palos Verdes to four lanes with full curbs. Also included are road drains and a sewer line on Prospect from Palos Verdes to Avenue D.

IN ADDITION, a traffic signal and street lighting

will be installed at the Palos Verdes-Prospect intersection.

"Although portions of the improvement lie within Redondo Beach and Torrance, the county is funding the entire cost of the project," Chace said. "This type of cooperation makes possible the development of an efficient road system across jurisdictional boundaries."

"The work on these highways will increase safety and traffic capacity and correct existing road and drainage deficiencies," Chace said.
